# WASHOUT BOOTH

**Freestanding booth with drying racks**  
**Dimensions: 72" H x 36" W x 24" D**

## STANDARD FEATURES

Cleaning screens is a vital step of the screen printing process. Made of steel and corrosion-resistant polypropylene, the Anatol Washout Booth is a freestanding, easy to clean system designed to hold up against years of daily washing, emulsion, and ink reclamation.

Built-in drying racks allow you to safely store screens while they dry. Use the Washout Booth to clean squeegees and flood bars, as well as screens.

### Construction
